

LICENSE AGREEMENT (LA), VERSION 2.1

1. Grant of License. The Zimbra client-side and server-side software of the Network Edition of the Zimbra Collaboration Suite and any other Zimbra products licensed in the applicable Zimbra Purchase Agreement (“Purchase Agreement”) shall be referred to collectively as the “Products” and individually as a “Product.” Subject to the terms hereof and the terms of any other applicable agreement and payment of all fees, Zimbra grants to the end user customer (“Licensee”) a personal, limited, nonsublicensable, nonexclusive, right to use the Products to service the aggregate number and classes of Mailboxes (as defined in http://www.zimbra.com/license/zimbra_product_definitions.html) licensed, but only on authorized server machines that are located at Licensee sites specified in the Purchase Agreement or otherwise approved in writing by Zimbra. All such uses must be in accordance with Zimbra’s applicable user documentation, which can be found here: <http://www.zimbra.com/products/documentation.html> (“Documentation”). Licensee may make copies of the Products, but solely in order to facilitate usage of the applicable number of Mailboxes as have been expressly authorized or paid for, or as necessary for back-up purposes. Zimbra retains ownership of all copies of the Products. Licensee will maintain the copyright notice and any other notices that appear on the Products on any copies and any media; provided however that Licensee may rebrand the client-side user interface of the Products by removing Zimbra’s logo and replacing it with Licensee’s trademark or other Licensee identification, as described in the Documentation. LICENSEE ACKNOWLEDGES THAT THE PRODUCTS MAY INCLUDE FEATURES TO PREVENT USE AFTER THE APPLICABLE SUBSCRIPTION PERIOD AND/OR ANY USE INCONSISTENT HEREWITH.

2. Limitations. Licensee will not (and will not allow any third party to) (i) reverse engineer, or attempt to discover any source code or underlying ideas or algorithms of, any Products (except to the extent that applicable law prohibits reverse engineering restrictions), (ii) provide, lease, lend, disclose, use for timesharing or service bureau purposes, or otherwise use or allow others to use for the benefit of any third party, any Products (except as expressly and specifically authorized by Zimbra), (iii) possess or use any Products, or allow the transfer, transmission, export, or re-export of any Products or portion thereof, in violation of any export control laws or regulations administered by the U.S. Commerce Department, U.S. Treasury Department’s Office of Foreign Assets Control, or any other government agency, or (iv) use, modify, alter or tamper in any way with any Products (except as expressly and specifically authorized by Zimbra herein). The foregoing provisions shall not be construed to limit, modify or alter Licensee’s rights to use the open source code version of the Products that are provided by Zimbra separately from this LA under the Zimbra Public License or OSI-approved licenses (“Open Source Software”), but usage of the Products hereunder must be (and must be on server machines that are) independent from the Open Source Software or derivatives thereof. Prior to disposing of any media or apparatus containing any part of the Products, Licensee shall completely destroy any Products contained therein. All the limitations and restrictions on Products in this LA also apply to Documentation.

3. Third Party Code. Licensee acknowledges that Products may be distributed alongside or contain certain third party software (“Third Party Software”). ALL USE OF THIRD PARTY SOFTWARE IS SUBJECT TO AND GOVERNED BY (AND LICENSEE AGREES TO AND WILL INDEMNIFY ZIMBRA FOR NONCOMPLIANCE WITH) THE RESPECTIVE LICENSES FOR THE THIRD PARTY SOFTWARE AVAILABLE AT http://www.zimbra.com/license/zimbra_third_party_licenses.html.

In addition, Licensee will not use the embedded database software as a general SQL server, as a stand-alone database, or with applications other than with the Products.

4. Acceptance. The Products shall be deemed accepted by Licensee upon receipt of the commercial license key that enables Licensee to use the commercial version of the Products. Any updates or upgrades that are provided to Licensee by Zimbra (if any) shall be deemed accepted upon receipt.

5. Feedback. Licensee will keep Zimbra informed as to any problems, and resolutions related to those problems, or any enhancement suggestions related to the use of the Products (collectively, and together with all related intellectual property rights, "Feedback"); Zimbra will own, and is hereby assigned all Feedback.

6. Indemnification. Zimbra shall hold Licensee harmless from liability to third parties resulting from infringement by the Products of any United States patent issued sixty (60) days or more before delivery of such Products or any copyright or misappropriation of any trade secret, provided Zimbra is promptly notified of any and all threats, claims and proceedings related thereto and given reasonable assistance and the opportunity to assume sole control over defense and settlement; Zimbra will not be responsible for any settlement it does not approve. The foregoing obligations do not apply with respect to Products or portions or components thereof (i) not created by Zimbra (e.g. Third Party Software), (ii) made in whole or in part in accordance to Licensee specifications, (iii) that are modified after delivery by Zimbra, (iv) combined with other products, processes or materials where the alleged infringement relates to such combination, (v) where Licensee continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement, or (vi) where Licensee's use of such Products is not strictly in accordance herewith. Licensee will indemnify Zimbra from all damages, costs, settlements, attorneys' fees and expenses related to (I) any claim of infringement or misappropriation excluded from Zimbra's indemnity obligation by the preceding sentence, or (II) any other claim in connection with the Products or the use or distribution thereof. In addition, in the event Zimbra determines that any Product may become subject to a third party claim of intellectual property infringement, Zimbra may, in its sole discretion and as Licensee's sole remedy, modify or replace or terminate the license with respect to that Product, provided that if the license is terminated without a replacement, Zimbra will refund to Licensee the applicable pre-paid fees with respect thereto attributable to the remainder of the pre-paid period.

7. Limited Warranty and Disclaimer. Zimbra warrants for a period of thirty (30) days from delivery of the Products that such Products will materially conform to Zimbra's then current Documentation for such Products. This warranty covers only problems reported to Zimbra during the warranty period. The above warranty does not extend to any Products that are modified or altered, not maintained according to Zimbra's maintenance recommendations, are operated in a manner other than that specified by Zimbra, have their license number removed or altered, or are treated with abuse, negligence or other improper treatment (including, without limitation, use outside the recommended environment). Licensee's sole remedy with respect to any warranty or defect is as stated below. ANY LIABILITY OF ZIMBRA WITH RESPECT TO THE PRODUCTS OR THE PERFORMANCE THEREOF UNDER ANY WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY WILL BE LIMITED EXCLUSIVELY TO REPAIR OR REPLACEMENT OF THE AFFECTED SUBCOMPONENT OF THE PRODUCTS OR, IF REPAIR REPLACEMENT IS INADEQUATE AS A REMEDY OR, IN ZIMBRA'S

OPINION, IMPRACTICAL, TO REFUND THE APPROPRIATE PORTION OF THE REMAINING UNAMORTIZED SUBSCRIPTION FEE PAID BY LICENSEE FOR THE APPLICABLE SUBSCRIPTION PERIOD AND SUBCOMPONENT OF THE PRODUCT ONLY (ASSUMING STRAIGHT LINE AMORTIZATION OVER SUCH SUBSCRIPTION PERIOD). EXCEPT FOR THE FOREGOING WARRANTY BY ZIMBRA, ALL PRODUCTS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND FROM ANYONE, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. FURTHER, ZIMBRA DOES NOT WARRANT RESULTS OF USE OR THAT THE PRODUCTS ARE BUG FREE OR THAT THE PRODUCTS' USE WILL BE UNINTERRUPTED. SOME JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AS IMPLIED WARRANTY LASTS, OR DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS AGREEMENT.

8. Limitation of Liability. NOTWITHSTANDING ANYTHING ELSE HEREIN OR OTHERWISE, AND EXCEPT FOR BODILY INJURY, NEITHER ZIMBRA NOR ANY LICENSOR SHALL BE LIABLE OR OBLIGATED WITH RESPECT TO THE SUBJECT MATTER HEREOF OR UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY (I) FOR ANY AMOUNTS IN EXCESS IN THE AGGREGATE OF THE FEES PAID TO IT HEREUNDER BY LICENSEE WITH RESPECT TO THE PRODUCT AT ISSUE DURING THE SIX MONTH PERIOD PRIOR TO THE CAUSE OF ACTION; (II) FOR ANY COST OF PROCUREMENT OF SUBSTITUTE GOODS, TECHNOLOGY, SERVICES OR RIGHTS; (III) FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES; (IV) FOR INTERRUPTION OF USE OR LOSS OR CORRUPTION OF DATA; OR (V) FOR ANY MATTER BEYOND ITS REASONABLE CONTROL. THE PRODUCTS ARE NOT DESIGNED, MANUFACTURED, OR INTENDED FOR USE IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE WHERE THE FAILURE OF THE PRODUCTS COULD LEAD DIRECTLY TO DEATH, PERSONAL INJURY, OR SIGNIFICANT PHYSICAL OR ENVIRONMENTAL DAMAGE ("HIGH RISK ACTIVITIES"). USE OF THE PRODUCTS IN HIGH RISK ACTIVITIES IS NOT AUTHORIZED. THE PARTIES AGREE THAT THIS SECTION 8 REPRESENTS A REASONABLE ALLOCATION OF RISK AND THAT LICENSOR WOULD NOT PROCEED IN THE ABSENCE OF SUCH ALLOCATION. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU.

9. Termination. All licenses will terminate thirty days after notice of any breach by Licensee remaining uncured at the end of such notice period. A license will also terminate upon the expiration of the applicable subscription period specified in the applicable Purchase Agreement. Upon any termination, Licensee shall immediately cease all use of the Products and return or destroy all copies of the Products and all portions thereof and so certify to Zimbra. Except as otherwise expressly provided herein, the terms hereof shall survive any termination. Termination is not an exclusive remedy and all other remedies will be available whether or not termination occurs.

10. Miscellaneous. Zimbra may use Licensee's name and logo in customer listings and website links. Neither this arrangement nor the licenses granted hereunder are assignable or transferable (and any attempt to do so shall be void); provided that either party may assign and transfer the foregoing to a successor to substantially all of Zimbra's Products business or assets or Licensee's business for which Products are licensed (but if the authorized use is not limited, the assignee is not licensed to expand use beyond Licensee's bona fide pre-assignment use plus reasonably expected growth assuming the assignment and related transactions had not occurred). The provisions hereof are for the benefit of the parties only

and not for any other person or entity. Any notice, report, approval, authorization, agreement or consent required or permitted hereunder shall be in writing; notices shall be sent to the address the applicable party has or may provide by written notice or, if there is no such address, the most recent address the party giving notice can locate using reasonable efforts. No failure or delay in exercising any right hereunder will operate as a waiver thereof, nor will any partial exercise of any right or power hereunder preclude further exercise. If any provision shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this arrangement shall otherwise remain in full force and effect and enforceable. This agreement shall be deemed to have been made in, and shall be construed pursuant to the laws of the State of California and the United States without regard to conflicts of laws provisions thereof, and without regard to the United Nations Convention on the International Sale of Goods or the Uniform Computer Information Transactions Act. This LA and the Purchase Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter hereof and any waivers or amendments shall be effective only if made in writing; however, any pre-printed or standard terms of any other purchase order, confirmation, or similar form, even if signed by the parties after the effectiveness hereof, shall have no force or effect. The parties are independent contractors (not partners, joint venturers, employees or other agents). Licensee agrees to comply with all export laws and restrictions and regulations of the Department of Commerce or other United States or foreign agency or authority, and not to export, or allow the export or re-export of any confidential information or software received from the other or any copy or direct product thereof in violation of any such restrictions, laws or regulations, or without all required export licenses and approvals. The substantially prevailing party in any action to enforce this agreement will be entitled to recover its attorney's fees and costs in connection with such action. As defined in FAR section 2.101, DFAR section 252.227-7014(a)(1) and DFAR section 252.227-7014(a)(5) or otherwise, all Products and accompanying documentation provided by Zimbra are "commercial items," "commercial computer software" and/or "commercial computer software documentation." Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, disclosure or distribution thereof by or for the U.S. Government shall be governed solely by these terms and shall be prohibited except to the extent expressly permitted by these terms. From time to time upon request, Zimbra will be entitled to audit or have audited all systems and records relevant to assure compliance with this LA and the Purchase Agreement; any audit showing noncompliance will be at Licensee's expense.
